Holy Shrine of "Sri Satyabodhaswami", Savanur

In his letter No 975 dated 22.5.1934 addressed to the Dewan, the Diwan of Savanur represented that (i) the ancestors of H.H. the Maharaja of Mysore granted the joodi village of Hunaghatta in Hangal taluk, Shimoga dt. as Inam to the Holy Shrine of Sri Satyabodhaswami at Savanur for its service;

(ii) that about Rs 2500 realised as Abkari Excise Revenue due to the Shrine, is lying with the Mysore Govt., undisbursed to the Institution;

(iii) that the building in which the Shrine is situated is getting dilapidated every year and that it requires immediate repairs to the extent of at least Rs 5000;

(iv) that the Bhandarthis (Vahivatdars) who claim the arrears of revenue due from the Inam villages are only indifferent in the matter; and that in the interests of the Institution the Diwan of Savanur may be permitted to utilise the amount available at its credit for repairs and upkeep of the big building in which the Shrine held in high esteem by all classes of people in the Karnataka is situated.

The Deputy's order on the above letter was "Say No" and the Sarvanur Dessai was informed in this office letter dated 8.6.1934 that his request cannot be complied with"

3 Again in his letter dated 20.6.34 the Sarvanur Dessai requested for reconsideration to the above order, representing further that an officer of the Mahal Gosi may be deputed to have the repairs effected under his own supervision so that the building may not collapse hopelessly. To this he was informed that it is not possible to do so"

4 A brief perusal of G.O. dt 7.2.27 which gives a detailed history of the case will show that the Chief Sources of income of the Bondaram are only two viz (1) Revenue for the Inam village of Hunsarghatta in Honnali Taluk and (2) ~~Today~~ Revenue for the same village. These two items give a total income of Rs 1735-13-0 against which there is a Scale of Expenditure Sanctioned amounting to Rs 1630-13-0 leaving a surplus of only Rs 105/- ~~to be credited~~ or thereabouts to be utilised for the annual Maharanadhane.

SAVANUR.
2nd January 1935.

My dear Sir Mirza Ismail,

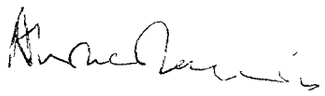
I do not know what you will think of me for not having written for such a long time and thank you for your very great kindness and hospitality, during my visit to Mysore. To a plain and blunt soldier like me, it is impossible to describe, on paper, the beauties of Mysore. To any Chief, no matter how big or small the State is, I doubt if nature would be kind enough to allow him to have a noble-man of your standing, as his colleague

I had put, before you, the case of Shree Satyabodha-Swami Math. You had been pleased to agree to receive a deputation on behalf of the Math have asked the "Paryayasthas" to communicate to your Private Secretary and, after fixing a date, to approach you.

I shall be grateful if you will also let me know about Windsor Lodge.

With very many kind regards,

Yours sincerely,



No. 406.

6th January 1935.

My dear Nawab Sahib,

Thank you very much for your kind letter, and for the kind reference to myself.

It was such a pleasure to me to get into such close contact with you. I hope we shall meet often in future when you make Bangalore your home, at least that of your family.

Of course, Windsor Lodge will be at your disposal from the time it is vacated by Akalkote.

I shall be very pleased to receive a deputation from the Satyabodha-Swami Math. I am getting my Private Secretary to fix up a convenient date with them.

With kindest regards and best wishes,

Yours sincerely,

The Private Secretary,

to the Divan of Mysore.

S i r,

His Highness the Navabsahib of this State had come to Bangalore last month . During his stay there he had an interview with the Divan of Mysore concerning Sri Satya Bodha Swami of Malé of this State In that connection I, in company with other gentlemen desire to have an interview with ~~xxxx~~ the ~~Dian~~ Dewan of Mysore . I learn that the Divan of Mysore was - pleased express allowing an interview in this respect.. May I request you to kindly let me know by wire - whether next Sunday would suit Divan Sahib ? If not any other suitable date . As the matter is very urgent I beseach for an early interview . If I am not troubling you, I also request you to give me time and place where I will be allowed for an interview.

Begging to be excused for the troubles.

The Divan of Mysore S te,

Respected Sir,

The undersigned humble memorialists of Karnatak in Southern Maratha Country in Bombay Presidency most humbly and respectfully beg to lay before Your Honour the following memorial hoping that it will meet with kind and favourable consideration.

2. In Dharwar District there is Savanur State which is well-known ancient State. In Savanur town there is ' Shri Satyabodh Swami Math ' which is most --- important historic ' Math ' to the followers of the '- ' Uttaradhi Math ' who are residing all over the country including your State among ' Vaishnava Madhva Brahmin - community ! In the Math there is the ' Vrandawan ' of the Swami.

3. The Mysore Government conferred a grant of a village Hunsagatta in Honnali Taluka as an Inam in favour of this ' Shri Satyabodh Swami. ' Upon the income of this Inam village and other contributions of the devotees the worshipping and keeping light and feeding of Brahmins daily, have been going on for the last 150 years or so.

4. The 'Aradhana' of this Swami is held - every year in 'Holi' holidays in the month of March and people from different parts come over to this 'Math' to pay their due respects to 'Shri Satyabodh Swami' and yearly at least 4000 men meet here. Many 'Pandits' who come here receive their 'Dakshna' and all people are fed for three days successively from many generations.

5. All the devotees and'Paryaesthas' are longing for the increased prosperity of Your Maharaja's Government for this benevolent and noble grant but for - which this religious institution would not have been so

In para 7 of the G.O. read above it

very popular. The great 'Shri Satyabodh Swami' was - one of the beloved prophet as found by the Mysore - Government who blessed the forefathers of the present His Highness the Maharaja and after the sacred 'Swami' left this world leaving his Shrine is always poring blessings on Mysore State in perpetuity.

6. The management and upkeep of this insti--tution and the worship etc. of the 'Vrindawan' is done by 'Prayaesthas' by turns and the income of the village is utilised towards the religious expenses of yearly 'Aradhan' and daily for feeding, lights, worshippings etc.

7. The building of the 'Math' was constru--cted hundred and fifty years ago and it is the biggest building which can occupy 2000 people at a time on - occasions for dinner. Now it has become very very old and needs fresh construction. The public is helping - from time to time for pettyrepairs. But now the building is almost in collapsing condition it is quite nesessary to get it properly built now. The estimation of the cost of overhauling will come to about Rs. 10,000 and if this amount is spent the building will be permanent one.

8. The 'Paryaesthas' are poor and the - public will find it very difficult to collect such a big sum now. And if it is not built now it will take twice the amount after some time or else the whole - building will collapse within a course of two or three years.

9. Mysore Government has a deposit of - Rs. 20 or 25 thousand accumulated from time to time by the Abkari revenue of the said village held in the name of 'Swami' and the amount required will be a proper utilisation as it is solely on account of the building of the 'Math' and the object of the noble grant will - serve more satisfactorily for the real pyrpose of 'Swami' and if this part out of the said deposit sum of -

In para 7 of the G.O. read above it

amount is paid now for the construction, the work will be done soon so that the Mysore Government will add a new Math in addition to its already grant which will be an eternal one.

10 . Your memorialists humoly pray that Savanur State authorities may kindly be inquired as to what amount the present work may cost and the amount recommended by them be given to Savanur State so that it will do the construction work through its responsible staff as a trustee in this matter in view of the noble work. The 'Paryayastas' and - public have not got the least objection to sanction this amount as they all have signed memorial in - token of their consent.

For this act of kindness the humble - memorialists eternally pray for the long life and prosperity of your Honour.

Mis 146-34-1

To,

Amin - Ul - Mulk, Sir Mirza Ismail,
B.A., Bt., C.I.E., O.B.E.,
Diwan of Mysore State,
BANGALORE.

Respectfully showeth,

The undersigned humble memorialists of Karnatak in Southern Maratha Country of Bombay Presidency most humbly and respectfully beg to lay before Your Honour the following prayer trusting that it will meet with kind and gracious consideration.

1) In the Dharwar District, there is Savanur State which is a well known ancient State. In Savanur town, there is a Math of Shri Satyabodha Swami which is the most important historic Math to the followers of the Uttaradhi Math of Madhava community who are residing all over the country including the Mysore State. In the Math, there is a Vrindavan of the Swami. The spiritual importance of Uttaradh Math is well known to His Highness the Maharaja of Mysore.

2) Mysore Government conferred a grant of a village Haunsghat in Honnali Taluka, Shimoga District, as

Inam, in favour of this Shri Satyabodha Swami Math. The income ofthis Inam village has been from time immemorial utilised for the worshipping and keeping lights and other religious duties daily. The spiritual institution is going on for the last more than 150 years.

3) The Aradhan of the Swami is held every year in Holi Holidays in the month of March and people from different parts come to see Stya bodha Swami's Shrine and at least (4000) men collect here annually. Many Pandits come here to discuss on religious matters and for (3) days the whole public is fed successively and the Pandits are also paid their due dakshinas according to their learning. In Savanur, as this is the biggest Math, even the school children are getting their elementary knowledge of religion in this Math alone every Thursday under High-Scool teachers. The Maharaja of Mysore's Government under your care stands first in the whole of the world in respect of the up-keep and discipline of the highest order with regard to religious institutions, temples, Maths etc, Although this Satyabodha Swami's Math is situated in Savanur, the public can surely say that it is the one belonging to Mysore Government itself as its up-keep has been done only by the grant of the Mysore Goverment. All the devotees and Paryayasthas are longing for

increase in prosperity of His Highness the Maharaja's - Mysore Government, for the benevolent and noble grant but for which this religious Math would not have been in existance, and so very popular. The great Shree Satyabodha - Swami was one of the beloved prophets as found by the - Mysore Government, who blessed the fore-fathers of the - present Maharaja.

4) The management and the up-keep of this institution and the worship of the Vrindavan is done by the - Paryayasthas by turns and the income of the village is - utilised as described above. The building of the Math was constructed about (150) years ago which has been the bigges building and which can occupy (2000) people at a time on occasions for dinner and other ceremonial functions. Now the building has been very very old and needs fresh reconstructions. The public is also helping from time to time o petty repairs of this Math but now the building is almost in a collapsing condition and it is quite necessary to get it properly built. The estimation will come to Rs10,000/- or so for the new construction. If the construction is delayed, there is every chance of the whole building being collapsed. Without such building, religious functions

will not survive. The sanitary condition of this building is not according to modern system and even the European Doctors who had the opportunity to visit this place had to opine that such buildings if not kept according to modern system, are quite harmful to the public.

5) The Paryayasthas are poor and the public will find it very difficult to collect such a big sum now and if it is not built now, it will take twice the amount after some time or else, the whole building will fall within a course of two or three years if not overhauled now

6) Mysore Government has got a deposit of about 20 to 25 thousand rupees accumulated from time to time by the Abkari revenue of the said village held in the name of the Swami. The amount required will be a proper utilisation as it is solely on account of the building of the Math and the object of the noble grant of the Mysore Government will serve more satisfactorily for the real purpose of Swamiji and if this part amount is paid now for the construction the work will be done soon, so that the Mysore Government will add a new Math in addition to the already grant which will be a permanent one.

7) We also thank the Nawab Saheb of Savanur for having sent his Divan with us for facilitating the work of the deputation. Your memorialists humbly pray that this Shri Satyabodha Swami's Math should be

SAVANUR.
DHARWAR DISTRICT

considered as one of the Math of the Mysore Government itself on the ground stated above and an order be issued for the construction-work as thought fit by Your Honour; and if it is not found feasible that the construction work may be entrusted to the Savanur State Administration which can work as a Local Government with utmost care in view of the public religious work, it may be taken up by the Mysore officials. Herewith the memorialists have attached a separate application signed by all the Parva--vasthas in token of their requests.

8) Your humble memorialists also humbly pray that Your Honour will kindly spare some time to visit this Math at the time of the opening ceremony so that Your Honour will be completely satisfied with the work done and also allow the public to request you to open the building for yourself and to pay their respects to you, Sir.

9) Having regard to the circumstances and position and importance of this religious institutions the memorialists submit that the work is of the utmost importance.

10) For this act of kindness, the humble memorialists eternally pray for the long life and - -

Dated, Bangalore, the 29th January 1935.

In para 7 of the G.O. read above it

it was directed that the toddy revenue due to the above Institution up to the end of the year 1926-27 minus the sum of Rs.8,764-1-10 which had already been paid to the Vahivatdars be funded and invested in the Government Savings Bank for the benefit of the Institution and be allowed to accumulate with the annual interest thereon and that any special demands of the Institution either for extensive repairs of the building or for other objects be submitted for the consideration of Government.

It is now represented that the building is in urgent need of repairs and that if needful action is not taken immediately to repair it, it is likely that the whole building will come down. In the circumstances Government are pleased to direct that the whole of the amount which the above Institution has at its credit at present (about Rs.5,600/- ~~minus~~ Rs.5,200/- in 4½ Mysore Government conversion Loan bonds and Rs.400/- in Savings Bank deposit-together with interest thereon that has accrued up-to-date), be made available for repairing the building referred to above, the execution of the work being entrusted to the authorities of the Savanur State. Rec'd 25/1/35

Dear Raosaheb.

I beg to introduce myself to you , that I was-en had come to Bangalore on the 17th instant with the Devan and other gentlemen from Savanur . with the deputation in connection with the repairs of His Holiness Shri Satya-Bodha Swami's matha at Savanur. My friends and myself thank you very much for the trouble you took in helping our --- cause .

I am one of the Paryayasthas of the said math here, and it was my turn in the year 1930-31 , to perform the --- pooja and to look to the affairs of the math that year. And the immediate next turn from the Ugadi of the Ruwa ---- Sanvatsara for the year 1935-36 , til the Ugadi of Dhatu Sanvatsara will come to me as the Paryayastha.

It was my humble wish to see you before I returned to this place from Bangalore , but on account of some ----- urgency , I had to come back very hurriedly leaving instruc-tions to my friends who stayed there next day to see you and request you on my behalf , in respect of the toddy - income of the village Hunasghatta in Honnali Talooka , due to me , payable to me for the year 1930-31. I have not as yet received the same although it is more than three years. So may I request you to regard this letter as a call on you and to kindly refer my case to Honnali Taluka for early ~~cas~~ cash in this connection , for which I deem it the highest - favour. I also pray that you will spare a line and oblige me.

Praying for the increased happiness and prosperity,
